## Supplemental Follow Up

Officer 5212 Scott A. Samolinski

Date 03/15/2015

At 2100 T/C Watson transferred a call to me, Sergeant Samolinski, from Edward's Hospital in Naperville, Illinois. I spoke to Nurse Nancy Tolan in regard to this case. Nurse Tolan told me that she was going to begin an evidence collection kit (ECK) on Juv#1. Nurse Tolan told me that someone would need to come and take possession of the ECK. I told Nurse Tolan that we are an hour to an hour and a half away from them and I was not sure if picking up the ECK tonight would be possible. I told her that I would make some phone calls and call her back.

I called Lieutenant Detective Smudzinski, briefed him on the attached case report and told him about Edward's Hospital's request. Lieutenant Smudzinski told me that we would not be able to pick the ECK up tonight and told me to see if they have a secure place to keep it until we do.

At 2110 I called the Hospital back and spoke to Nurse Nicole Clark. I spoke to Nurse Clark about our geographical distance and asked her if they had a secure place to store ECK until it could be transferred to us. Nurse Clark said she understood and told me that they have an evidence section with secure lock boxes where the ECK can be stored until we take possession of it. I told Nurse Clark that someone from our Department would be in contact with them.

I spoke to Nurse Tolan again and told her someone from our Department will be there on Monday or Tuesday to take possession of the ECK. Nurse Tolan said that would be fine. She told me to have our Officer report to the Pediatric Emergency Room desk and tell them that we are there to take possession of an ECK. She said we will need to provide them with the patient's name, [REDACTED] and her mother's name, Julia C. Eickmeier.

Case Report

Family Services (D.C.F.S.). Julia claimed each time DCFS failed to investigate the incidents properly. (It should be noted Julia had previously reported a similar matter to the LaSalle Police Department and it was unfounded.)

Julia said Chris Lukow and her were going to take [REDACTED] to Edward Hospital in Naperville, Illinois for examination. Julia claimed Edward's Hospital specialized in the treatment and examination of child sex abuse/assault victims. I advised Julia to obtain a medical records release form from Edward's Hospital and provide it to a LaSalle Detective on Monday, March 16, 2015. Julia said she would. I also asked Julia to complete a Voluntary Written Statement. Julia complied. (See Attached) I then briefed Julia on the details of a child sexual abuse/assault investigation, including the Children's Advocacy Center interview process. I further explained to Julia that a CAC maybe difficult because of [REDACTED] age. Julia said she understood. I then advised Julia to contact either Detective Quinn or Detective Lt. Smudzinski on Monday, March 15, 2015 in regards to the investigation. Julia stated she would.

I then contacted the Illinois Department of Children and Family Services and reported the alleged incident to DCFS employee Gail Snider. Gail said the incident would be investigated by DCFS within twenty-four (24) hours and provided me with a DCFS incident number of 12967194.
